

# Share of immigrants in neighbourhood relates to support for anti-immigrant parties

Didier Ruedin

University of Neuchâtel &

University of the Witwatersrand

*Annual Conference of the Swiss Political  
Science Association*

Geneva, 6 February 2018

# PVV is a major party in the Netherlands

we focus on the demand side at the meso level

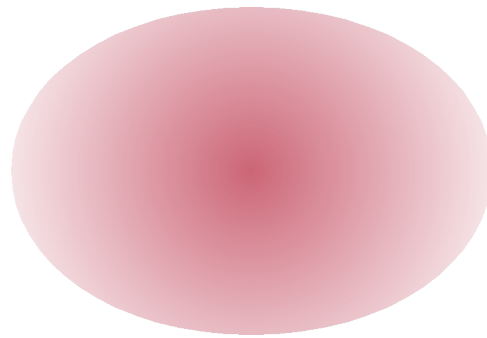

demand

supply

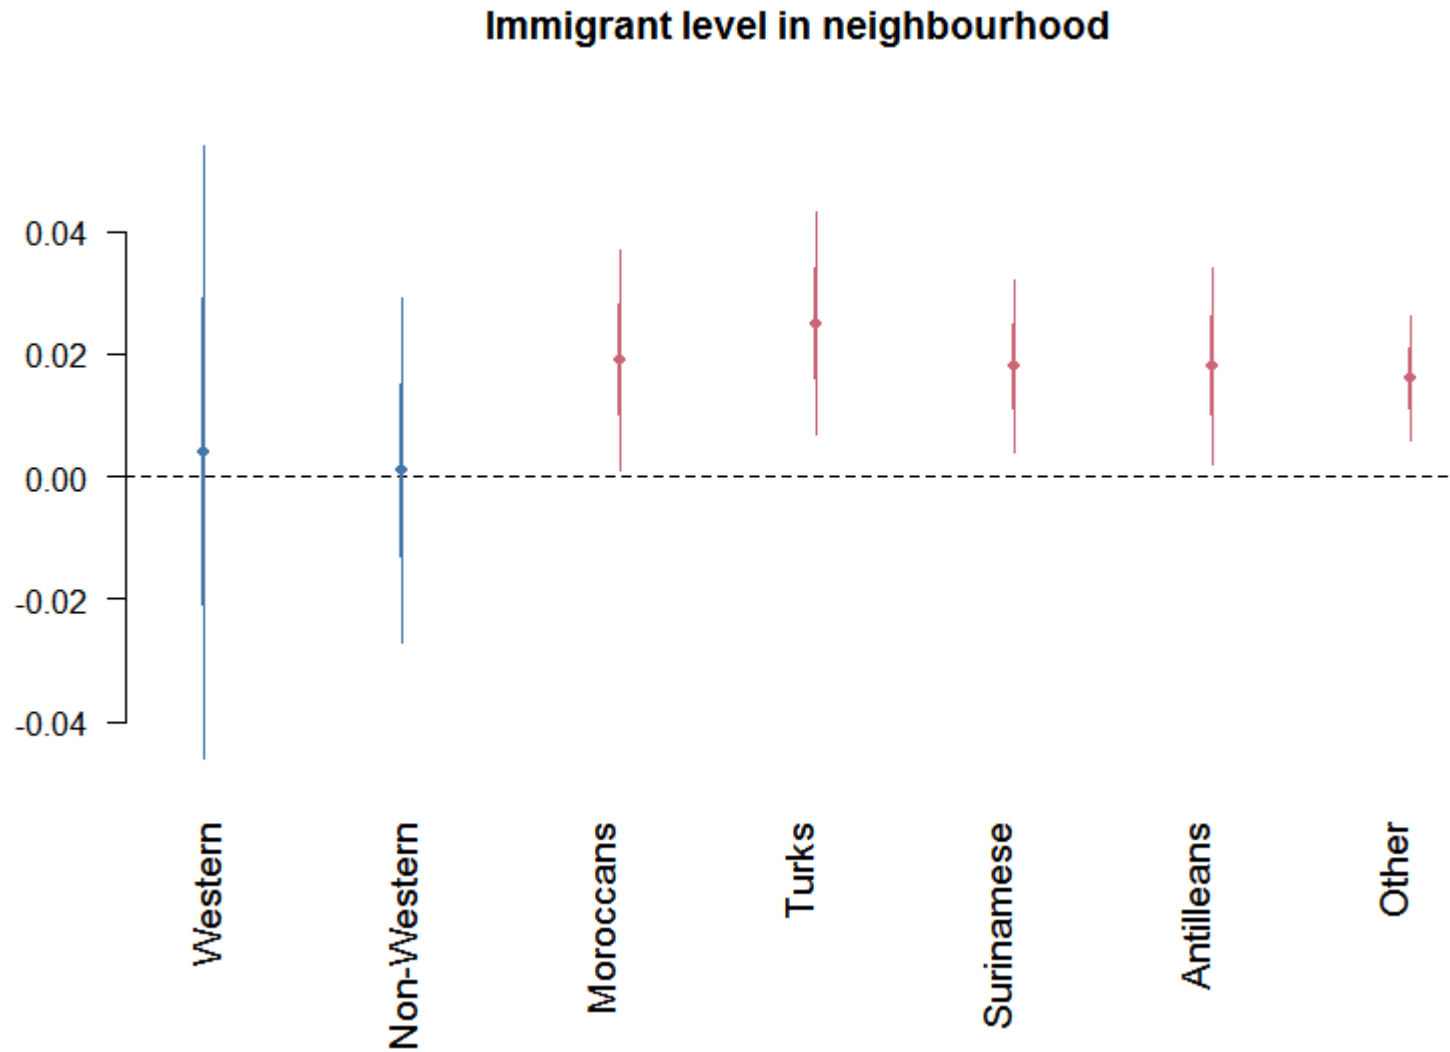

macro

meso

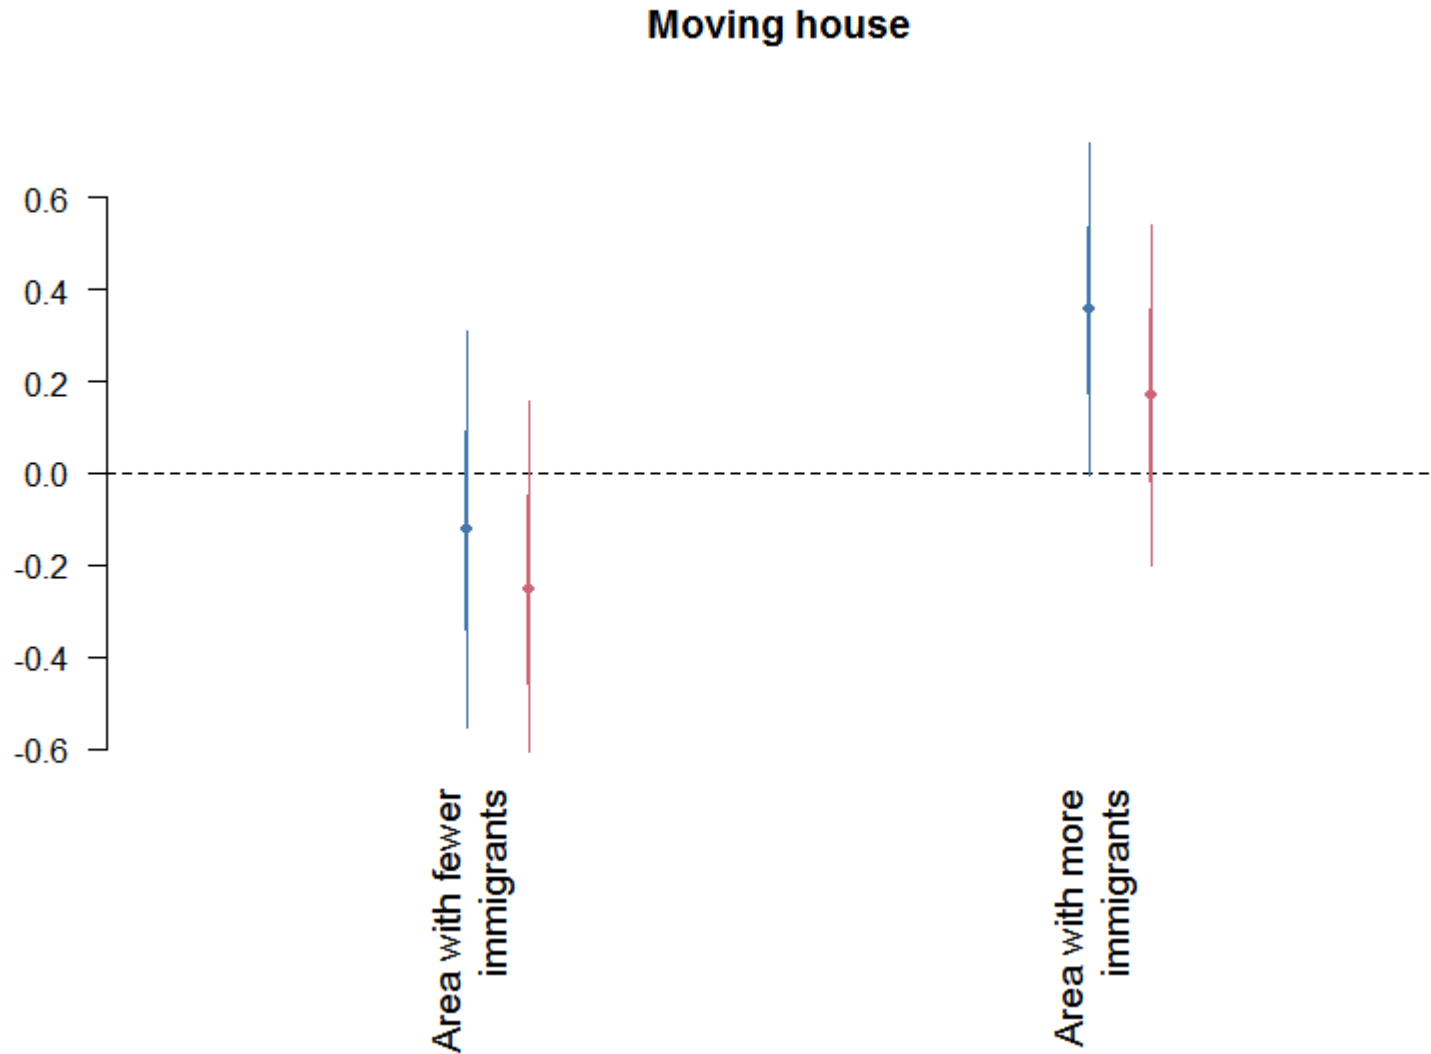

micro

# more immigrants linked to sympathy for PVV

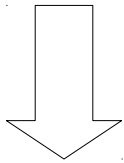

# moving house linked to sympathy for PVV

in conclusion, the share of immigrants in neighbourhood relates to PVV support

share of immigrants moving houses

contact theory *and* threat depending on situation
